

Blowing In the Wind  
Bob Dylan

E            A            E  
How many roads must a man walk down  
E            A            B  
Before you call him a man?  
E            A            E            C#m  
How many seas must a (the) white dove sail  
E            A            B  
Before she sleeps in the sand?  
E            A            E  
How many times must the cannonballs fly  
E            A            B  
Before they're forever banned?  
A            B            E            C#m  
The answer, my friend, is blowing in the wind  
A            B            E  
The answer is blowing in the wind

How many years can a mountain exist  
Before it's washed to the sea?  
How many years must some people exist  
Before they're allowed to be free?  
And how many times can a man turn his head  
And pretend that he just doesn't see?

The answer, my friend, is blowing in the wind  
The answer is blowing in the wind

How many times can a man look up  
Before he sees the sky?  
How many ears must one man (person) have  
Before he can hear people cry?  
And how many deaths will it take 'til he knows  
That too many people have died?

The answer, my friend, is blowing in the wind  
The answer is blowing in the wind

Oh, the answer, my friend, is blowing in the wind  
The answer is blowing in the wind

*(These chords were taken from a Peter, Paul, and Mary recording.)*
